Re: ________________ CDCR No. ____________

Dear Parole Board:

It is my understanding that ________________ will be coming before the Parole Board on ________________ for a hearing to determine whether he is suitable for parole.

I am Pastor of ______________________ Church in ______________________, California.

_____________ is a member of this congregation/parish/assembly/temple/mosque (pick appropriate word), and I understand that ________________ also wishes to be a member when he is paroled.

I am informed that ________________ has been serving a life term for ____________ (offense, such as first degree murder/second degree murder/attempted murder) for actions that occurred about ____________ years ago when he was ________ years old. I also am informed that if and when ________________ is granted parole it will be based on the Board of Parole Hearings' determination that he has been rehabilitated and found suitable for parole, and that he does not pose an unreasonable risk of harm to the public.

This letter will confirm that ________________ will be welcomed when he is paroled, and I am willing to provide him and his family with spiritual support and guidance to assist ________________ in readjusting to life outside prison.

Very truly yours,

Rev. ______________________
