Dear Respected Board Members:

This letter is to again show support for the Parole/release of [REDACTED] who has been my friend for over 25 years. We have maintained contact through correspondence and phone calls; I consider Jim to be one of my best friends. I have complete trust in him with everything.

[REDACTED] continues to maintain a desire to live a life that is free of gang activity, alcohol, drugs, and any form of violence. The remorse [REDACTED] displays not only in word, but in his everyday life is genuine and I have no doubt that with the backing of his family and support network, of which I am a part, he will have little trouble adjusting to life outside of prison. I truly believe Jim is rehabilitated and can now be an asset to his family, community, and society.

I will support [REDACTED] transition back into society by being a part of his accountability/responsibility circle. As such, I will be available to him at any time and in any situation. My expectation of Jim as a parolee will be to adhere to all of his parole conditions, maintain employment, volunteer in the community, and remain free from his former lifestyle & behaviors. As a member of his accountability circle, I will hold him responsible for living in accordance with the new beliefs & values he has developed. I will continue to support him through my friendship, love, and guidance.

Thank you for your time and consideration. If you have any questions or comments, feel free to contact me at the address above, by phone at ([REDACTED]-[REDACTED]) or email at [REDACTED]@[REDACTED]. I pray that you find my friend [REDACTED] suitable for parole.

Respectfully,

[REDACTED]
