RE: Inmate's Name, CDC No.
Name and Address of Prison

Dear Members of the Parole Board:

I am writing on behalf of my son/daughter, INMATE'S NAME, who is my first born and only son/daughter, whom I miss terribly. Having my son/daughter incarcerated for over the past 20 years has helped me to understand the pain that the victim(s) NAME OF THE VICTIMS family may be going through because of the horrible decision my son/daughter INMATE'S NAME to take his/her life. I pray every single day not only for their forgiveness of my son/daughter, but that God comforts them in their time of grieving.

Unfortunately, INMATE'S NAME, did not follow the rules of the house which led him to this Horrible crime that caused him his life in prison. He has expressed his embarrassment of the hurt and pain he caused the victims, family and friends. He is truly remorseful for the crime that he committed. While being in prison, he has realized what mistakes he made and wants to be a better person making the right decisions in life.

He has kept me informed of his progress by taking courses that has helped in rehabilitating his life. I have seen a mature, loving and supportive individual grow. I live alone in a 4 bedroom, 3 bathroom home that he/she can stay in one of the bedrooms. If he/she chooses a transitional program, his/her room will be available when he/she has completed the program. I can provide food, shelter, transportation, assist in helping him/her find employment, love, and support from his family, friends and spiritual advisors.

IF APPROPRIATE: If she/he attends AA/NA meetings at _____, they meet _____.
Provide a schedule and distance from home.

I hope the Commissioners can see that INMATE'S NAME is no longer a threat to society.

Sincerely,

Signature
