RE: Inmate's Name and CDC#
Name and Prison Address

Date of Hearing:

Dear Commissioners:

This letter is in support of my brother's/sister's Parole Hearing that is coming up.

Unfortunately, my brother/sister did not listen to me or my parents, and he/she was influenced by the bad company he/she hung around with, thinking it was the cool thing to do at the time, which led him/her to life in prison.

We have kept in touch over the years and he/she has expressed sorrow for the crime that he/she committed and the people he/she hurt the most were the victims, his close friends and family. I have seen a young man/women blossom to a mature, responsible individual who is committed to making a difference in his/her life by attending the many workshops that has groomed him/she for a much richer life than prison.

I am committed to my brother/sister who I love so dearly and he can live with me, my husband and two children. He/she will have shelter, food, clothing, transportation, financial support, love and support, positive influences, and his/her family and friends who are committed to guide him/her in the right direction.

I am hopeful once you review his/her Parole Packet outlining his/her accomplishments and letters of support that he/she is a modeled inmate suitable for parole.

Thank you for your time.

Respectfully,

Signature
